The rezoning of the Aydell Lane area was discussed. Mr. Granger was concerned if the rezoning included the commercial area that fronts Walker South. The Commission was assured that the commercial property would remain commercial if it was already commercial. The map that was used to make a copy of the area to put in the packets came from an old zoning map.

A motion was made by Mr. Granger, seconded by Ms. Forbes, to accept and send to the Board of Aldermen, the rezoning request of the Aydell Lane area property from R-70 to R-80 with the exclusion of the commercial property fronting Walker South that is zoned RC.
